Abstract

The abstract appears before the keywords. Abstract must be about 200 words. However, it must be limited between 150 to 200 words. The abstract should clearly state, the objective, results and the conclusion of the work.

Keywords: maximum of eight keywords seperated by “,”.

Introduction The paper must not exceed 12 pages. Please use the following guidelines in preparing your full papers. If papers are not prepared according to the following guidelines they will be withdrawn from the conference program. **Elements of a Paper** The basic elements of a paper are listed below in the order in which they should appear: • Conference header • Paper title • Author names and affiliations • Abstract • Keywords • Introduction • Main body of paper, including figures and tables, page numbers and footer, headings, enumerations, etc. • Conclusions • Acknowledgments • Nomenclature(Not-necessary for two-page summary paper) • References • Appendices **Paper Preparation** All papers must be written in either English or Persian (Farsi). Paper will be presented in the language that it is written. Paper must send by uploading in the conference websit. Don't use Email for sending papers. For English papers; the fonts for the different parts of a paper are in Times New Roman as follows: • Title: 12 pt bold (centered) • Author(s): 10 pt bold (centered) • Affiliations: 10 pt (centered, italic) • Keywords: 10 pt • Section Headings: 11 pt bold • Subsection Headings: 10 pt -Others: 10 pt Each A4 page is prepared in one column. The Abstract starts 90mm from the top of the page on the first page. Papers must be prepared using Word 2003 or higher. They must be submitted a word file(Full Paper). The headings will start from the far left. Use single spacing with no space between the section headings and the paragraph following it. Put one space between the texts of main sections. Paper must have page numbers. System of Units SI system of units is deemed to be used. If necessary use the equivalent value in the other system of units in brackets after the SI system of units.

Tables, Figures and Photographs Tables must be numbered and the title of the table must be placed on the top of the table with the footnotes on the bottom. Tables must appear where (or as close as to) they are first mentioned in the text. They must be referred in the text as "Table 1". Figures must be numbered and the caption of the figure must come at the bottom of the figure. All the legends and the numerical values on the axes of the curves must be clear and readable. Figures must appear where (or as close as to) they are first mentioned in the text. They must be referred in the text as "Figure 1". Photographs must original and follow 2 above for numbering and captions. Leave one space between the Table/Figure and the text following it. Table 1-major cities on the 21 routes to london

Results Discussion All the obtained results should be carefully investigated and compared with the other works. Two page summary papers must include results and discussion sections. **Conclusions** Main conclusions of the paper must be put here. **List of Symbols** The list of symbols comes after the acknowledgment and before references. The English symbols come first followed by the Greek symbols. Both must be typed in alphabetical order and separated. **References** References must be numbered and be listed in the list of references in the order that they are referred to in the text. Their number must be put in squared bracket, i.e. [1]. The complete details of the references will appear in the list of references. For journal papers, books and conferences papers use the following formats: [1] Assembly Jobs, Economic Development, and the Economy Committee, 2006. 20, Years of California Enterprise Zones: A Review and Prospectus, Sacramento, California, April 12, 2006.
